<TEXT>We cannot pay more for our cell phones! We are on a fixed income. We urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. We are concerned that this proposal could make my current service unaffordable.

Under the flat fee proposal you are forcing me and my husband, who makes very few long distance calls to pay the same as people or businesses that make many calls. We use out cell phone for emoergencies. Increasing out rates is unfair!

Keep the USF Fair!
